International Wine Challenge – “Gravelly, cedary notes on the nose. Grippy tannins, well integrated with dark cherry fruit flavours.”

Sam Kim, Wine Orbit – “The wine is complex and fragrant on the nose with lovely dark plum and mixed berry compote characters together with nuances of game, leather and dried herbs. It is succulent and sweetly fruited, elegantly framed by silky texture and fine-grained tannins, leading to a lengthy pleasingly dry finish.” 90/100
